

# AH13U230

Erie actuator, high close off model, 230VAC,  
Pop-Top mount on Erie VT valves, 2 position,  
0.9m (36") lead

## Main

|                                       |                                       |
|---------------------------------------|---------------------------------------|
| Product or component type             | Actuator                              |
| Actuator type                         | Electric                              |
| Actuator product series               | AH                                    |
| Product destination                   | Zone valves                           |
| Actuator                              | Rotary                                |
| Control type                          | Automatic reset                       |
| Switch function                       | No                                    |
| Rated supply voltage                  | 230 V AC                              |
| Transformer rated power in VA         | 7.5 VA                                |
| Power consumption in W                | 6.5 W                                 |
| Power consumption in VA               | 7.5 VA AC                             |
| Power loss return                     | Spring return                         |
| Control signal                        | 2-position (on/off)                   |
| Position indicator                    | Green push stem with color markers    |
| Lead length                           | 1 m                                   |
| Leads and connections                 | Appliance                             |
| Spring return timing                  | 9 s                                   |
| IP degree of protection               | IP53                                  |
| Material                              | Aluminium: housing                    |
| Ambient air temperature for operation | 0...40 °C                             |
| Relative humidity                     | 5...95 % non-condensing               |
| Ambient air temperature for storage   | -40...71 °C                           |
| Targeted region                       | Europe<br>Asia Pacific.<br>Australia. |

## Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 5.38 cm   |
| Package 1 Width              | 5.38 cm   |
| Package 1 Length             | 10.515 cm |
| Package 1 Weight             | 550.0 g   |

## Offer Sustainability
