

### Main

|                           |                                  |
|---------------------------|----------------------------------|
| Device application        | Equipment monitoring and control |
| Product or component type | I/O expansion module             |
| Mounting mode             | DIN rail mount                   |
| Flame retardance          | Class D                          |
| Input type                | 4 x discrete<br>4 x analog       |
| [Us] rated supply voltage | 24 V AC/DC                       |
| Output type               | 4 x discrete<br>2 x analog       |
| Standards                 | EN 60730-2-9<br>EN 60730-1       |

### Complementary

|                    |                                  |
|--------------------|----------------------------------|
| Physical interface | 1 CAN                            |
| Protection type    | Power supply: at 1.25 A (1 fuse) |

### Environment

|                      |    |
|----------------------|----|
| Overvoltage category | II |
| Pollution degree     | 2  |

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 9.0 cm  |
| Package 1 Width              | 13.0 cm |
| Package 1 Length             | 18.5 cm |
| Package 1 Weight             | 248.5 g |

### Offer Sustainability

|                            |                                                             |
|----------------------------|-------------------------------------------------------------|
| EU RoHS Directive          | Pro-active compliance (Product out of EU RoHS legal scope)  |
| Mercury free               | Yes                                                         |
| China RoHS Regulation      | <a href="#">China RoHS Declaration</a>                      |
| RoHS exemption information | <a href="#">Yes</a>                                         |
| Environmental Disclosure   | <a href="#">Product Environmental Profile</a>               |
| Circularity Profile        | <a href="#">End Of Life Information</a>                     |
| Upgradeability             | Upgradeable through digital modules and upgraded components |
